Willing Wisdom - An Evening with Thomas William Deans, Ph.D., New York Times, Top 10 Best Selling Author “Willing Wisdom”

Many North Americans don't have a will. For those who do, their wills are outdated. Dying without a will can leave your loved ones scrambling. Over the next 20 years more than \$8 trillion dollars will be inherited. For some families, this wealth transfer will fund dreams and unlock human potential. For many families, this wealth transfer has the potential to devastate relationships.
